

Dear Bride to be,

We would like to take this opportunity to congratulate you on your upcoming wedding. A wedding is such an important day and we are honored that you have entrusted Divinity to enhance your beauty needs. We offer many services to ensure that you will be completely prepared for your big day. Our package "Wedded Bliss" is specifically designed for the Bride, to enhance you from head to toe while saving you a little dough.

Wedded Bliss: A 1 HR Massage, Spa Pedicure, Spa Manicure, Up-do and Make up Application all for \$200, (savings of \$40). May we suggest to book your Massage, Pedicure and Manicure a day or two prior to your wedding day. This will assist in keeping things timely on the day of your wedding. To better serve you and your bridal party we ask that you read this letter carefully and fill out the attached form with your required information. This information will assist us in making your special day go as smooth as possible. A few things you will need to know:

- We require any cancellations or changes to scheduled appointments be done at least 48-hours prior to the wedding date.
- When arriving for your scheduled appointment, and having your hair put up in a special occasion style, it is best to arrive with clean DRY hair. Hair with a little "experience" (1 day prior washing) is often best when putting hair up.
- If you would like to have your hair shampooed and styled, due to a shorter style we ask that you indicate that on the bridal form.
- Most of our stylist are employees, however some of our team members are Independent Contractors. This means that if you are booked with one of our Independent Contractors you will pay them directly for your service. Prices may vary from person to person when booked with Independent Contractors. If you would like a quote for your services please ask. They accept cash or check in some cases.
- You are welcome to bring in food and/or beverages to the salon for you and your party to enjoy. We ask that you respect that the salon is also open for regular business and to keep your items in a contained area and to please clean up after yourselves.
- All wedding parties booked need to be secured with a credit card. This ensures that you agree to our 48 hour notice of cancellation and or changes to the original appointments booked.
